The Rector Writes

February has been described as a month of transition. It can see the transition from winter into spring and there is an ongoing debate as to whether the month itself belongs in winter or spring. The 18th and early 19th century Irish poet, Raftery (O'Raifteiri) claimed that spring began after St. Brigid's day on 1st February. By contrast, an old English poet was not so sure when he wrote - 'If Candlemas Day be fair and bright, winter will have another fight. If Candlemas Day brings cloud and rain, winter won't come again'. Of course, Candlemas Day is also known as The Feast of the Presentation of Christ in the Temple, which falls on the 2nd February. And my primary school teacher was much more certain when she often told her classes, "any month with an 'R' in it can be a cold month – February has two 'R's' in it so it is the coldest of the lot!". Whatever the weather may throw at us in the coming weeks, there are many positive signs of a season transition with brighter evenings and the flowering of snowdrops, crocuses and even a few daffodils.

In our Christian calendar there is also transition. The Feast of the Prestation of Christ in the Temple marks the official end to the season of Christmas – being forty days from Christmas Day. This year, less than three weeks later we will have Ash Wednesday, the beginning of the forty days of Lent when we begin our preparations for the most important festival in our Church calendar – Easter. Easter is the source of hope in our faith and the need of hope has never been greater as we consider the economic uncertainty and the suffering and misery caused by Russia's war in Europe which is now approaching its first

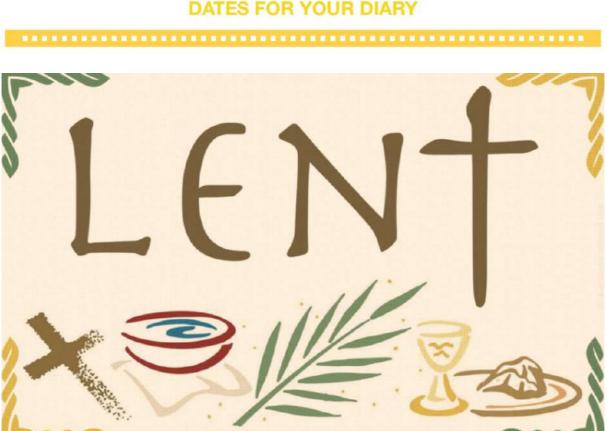

anniversary. We pray in that hope that a solution may be found to end this needless human catastrophe.

DATES FOR YOUR DIARY

Events - social and fundraising

Some events for the coming year are being organised. These are social events as well as fundraisers for the parish and other good causes. We will give you full details when they are finalised.

In the meantime if you have any ideas for social and/or fundraising events please contact the Rector or any member of the Select Vestry.

Register of Vestry Members

Being on the Register of Vestry Members means you can have a say in what goes on in the Parish – you can elect people to the Select Vestry, contribute to any debate, vote at the annual Easter General Vestry. You can also, but ONLY if you wish, be nominated or elected to positions such as Church or Glebe Warden or represent the Parish at diocesan level. Being a registered vestry member does NOT mean that you will be asked to do more work or contribute more time or money than if you are not registered.

The Register of Vestry Members is revised at the beginning of each year. If you would like to be on the register please contact the Rector who will send you a form but make sure you do it soon as the completed form has to be back with the Rector **before 15th February**.

NEWS

Christmas in Tullow

The Christmas services started with the traditional Carols by Candlelight on 18th December when the large congregation sang their hearts out. The carols wouldn't have been the same without the mulled wine and mince pies afterwards so thanks to those who organised it.

Small children, their parents and, in some cases, grandparents, thoroughly enjoyed the Christmas Eve Carols Around the Crib. The 9pm Christmas Eve and 8.30am Christmas Day services were well attended as was the main Family Service on Christmas Day which, as always, had that special atmosphere, with excited children and smiling parents. It's always particularly heart warming to welcome extended family members and former parishioners back to Tullow at Christmas.

A special thanks is due to the Rector and Alan for the huge amount of work they put into preparing for all the Services. Thanks also to our organist Paul and the choir for their contribution to our seasonal celebrations enhanced, as always, by the beautiful decorations and flowers and, of course, the two Christmas trees with their lights welcoming everyone inside. Many thanks to all those responsible for making our church so attractive and a place to be proud of particularly at this special time of year.

Tullow on TV

The 10.30am Service on Sunday 22nd January was broadcast on the RTÉ News channel on Sunday 29th January. A large congregation did Tullow credit and sang lustily, ably led by the choir and organist Paul.

Quite a lot of organisation was involved so thanks to the Tullow Team. (See above)

This broadcast was made possible by our use of Church TV. Church TV provides the equipment and facilitates the filming, recording and broadcasting of most Services, including funerals, with very little human input. The previous method of live-streaming was rather hit and miss and sometimes refused to work so Church TV is a professional and dependable alternative. Services can be seen around the world - a parishioner currently in Thailand was able to watch the Service live while enjoying a G&T (it was evening there!)

Fundraising

A total of €1,550 was raised for the Alice Leahy Trust for the homeless from the collection at the Carols by Candlelight Service and from the Green Jar Advent Collection. Thanks to all for your generosity.

Tell Us Your Good News!

There must be many good news stories in the parish so please tell us - we'd love to share them. They don't have to be sporting stories - any good news is welcome. Tel Jane Bowes 086 8418138 or bowesjane91@gmail.com

A Very Special Message

I wish to thank everyone for Christmas greetings and for helping me celebrate a very special birthday with flowers, cards, emails and phone calls. The outpouring of love, caring thoughts and prayers is quite overwhelming. Knowing that I am continually thought of and prayed for gives me the courage to face the days ahead.

A special thank you to John for his uplifting visits, chats and Holy Communion. I am blessed being a Parishioner of Tullow.

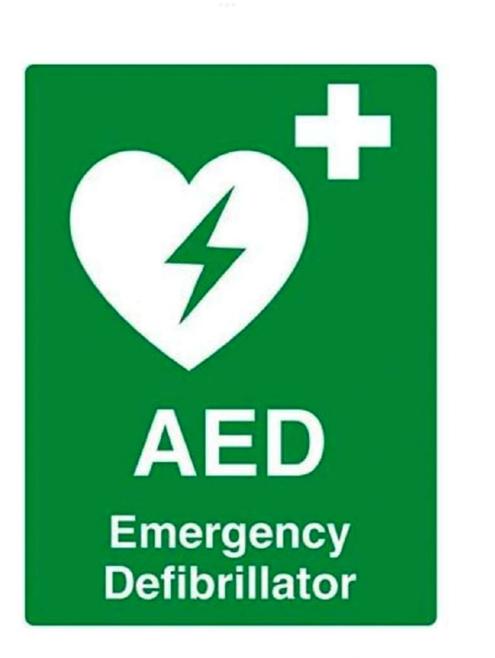

May our good Lord be with us all.

Defibrillator in Foxrock Village

A defibrillator has just been installed in Foxrock Village on the outside of the Sherry Fitzgerald building at the traffic lights in the village. A defib is a lifesaving piece of equipment which can re-start someone's heart. Special training to use it is not necessary as the defib will verbally give instructions on use. Signage indicating it's location will shortly be erected in the village. Even though special training is not necessary, training courses are being organised initially for people in the local businesses but it is planned to expand that number in the future.

This is a FACE (Foxrock Area Community and Enterprise) project which is being generously supported by Sherry Fitzgerald Financial Services.

PARISH ORGANISATION

After Church Coffee

We need volunteers for the after church tea and coffee on Sunday mornings.

Please help by volunteering to join a panel of coffee/tea makers - it's very easy!

Each Sunday a team of two is required to bring some biscuits and milk, make the tea/coffee, load and unload the dishwasher and tidy up afterwards. It's best if two people do it - just put your name down for whenever you're free. Someone else will volunteer to do it with you if needed.

Rota for February

Sunday 5th - Christine McCluskey and Sandra Ruttle Sunday 12th - Jeannette Mee and Grit Tyrrell Sunday 19th - The Moulton Family Sunday 26th - Barbara and David Cooper

Thanks so much to those who volunteered in February, now volunteers for March are needed please.

Please contact Barbara Cooper on 086 8446274 or email barcoop@gmail.com and let her know when you'd like to help

New members always welcome. If you'd like to join us come along any Thursday evening or phone Jane on 086 8418138 TEENAGERS: challenging, spirited wry, hilarious, warm, intense, lovable, irritable, changeable, generous, creative, frustrating, confusing, infuriating, provacative, defiant, loving, open, experimental..

Tullow Book Club

A Gathering Light by Jennifer Donnelly.

Set in 1905, in a small rural community on the east coast of the United States, we follow 16-year-old Mattie, as she tries to further her education despite the many obstacles in her way. Covers a huge area of prejudices and lifestyle for women in the 1900s. A very good read.

Book choice for next month is, Anything is Possible by Elizabeth Strout.

A Prayer for St. Brigid's Day

Saint Brigid was reputed to have been a woman of peace.

She brought harmony where there was conflict.

She brought light to the darkness.

She brought hope to the downcast.

May the mantle of God's peace she displayed cover those who are troubled and anxious,

and may that peace be firmly rooted in our hearts and in our world.

Inspire us to act justly and to reverence all God has made.

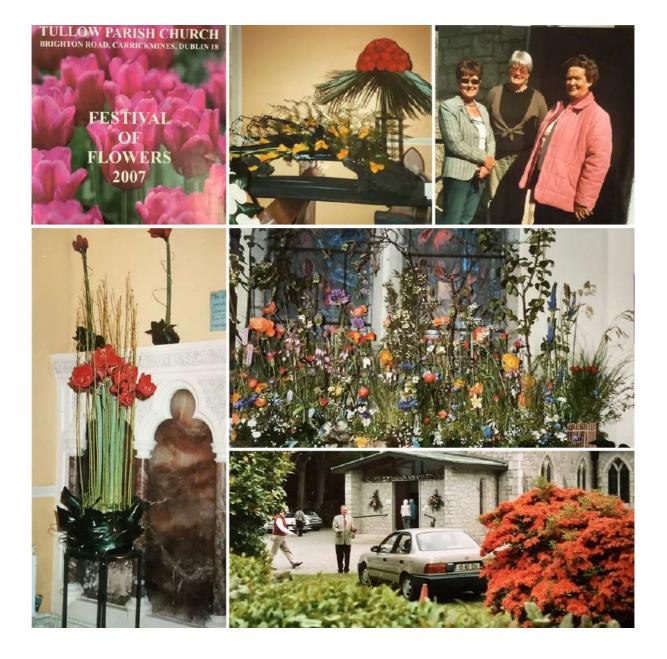

Brigid was a voice for the wounded and the weary.

Strengthen what is weak within us.

Calm us into a quietness that heals and listens.

May we grow each day into a greater wholeness in mind, body and spirit.

Amen
